

Abuse Reporting Policy

Please be advised that all staff of *Roots and Wings Consulting* are mandated reporters. This includes all therapists, educators, coaches, consultants, and any other persons that work with clients as a representative of *Roots and Wings Consulting* for any purpose. If at any time the personnel working with you receive a report, or have a reasonable suspicion that a child or dependant adult is being or has been abused, we have a legal and ethical duty to report this to the appropriate agencies.

Examples of abuse to children include, but are not limited to physical abuse, sexual abuse, emotional cruelty, neglect, and exposure to domestic violence. Examples of abuse to dependant adults include, but are not limited to physical abuse, sexual abuse, financial abuse, neglect, and emotional cruelty.

For more information on California's Child, Elderly, and Dependant Adult Reporting Laws, please consult the website:

www.safestate.org

If you do not have access to the internet, please ask a staff member to help you get the additional information you need.

I have read and understood the above disclosure, and had an opportunity to ask questions about it if necessary.
